- Ped gaps in Kahului on Kaahumanu -the trail in front of the harbor from Ist Haw'n Bank to Young Bros Access Road.
 - Cruise ship walk to shopping center.
 - No light, left turn is dangerous for pedestrians & motorists. (@ Kahului harbor)

Public Comments:

- Need enforcement not hot spot intersections. Need to build more multi use trails like the one on Mokulele Hwy - need to connect better to existing community.
- Your map does not even show the bike path on Mokulele Highway
- Connectivity from the bike path to Mokulele Highway is needed.
